PEDIGREE CATTLE BREEDERS COUNCIL OF IRELAND
CONDITIONS OF SALE TO APPLY ON ALL
SALES OF PEDIGREE CATTLE

1. These conditions (and where appropriate at auctions, these conditions together with the General Auction Conditions of Sale) form the basis of the contract between the vendor and the Purchaser, and from the contract of conditions and warranties implied under the sale of goods Act 1893 and the Sale of Goods and Supply of Services Act 1980 or any other statutory Enactment or implied by any law or custom or usage are expressly excluded.
2. In the event of a Sale by Auction and there arising conflict between these conditions and the General Conditions of the Auction, these conditions shall prevail.
3. All animals are sold as they stand and the purchaser is deemed to have examined each animal and fully satisfied himself about the animal prior to sale.
4. Save as hereafter, provided, no warranty is given as to the performance or fertility of any bull and the purchaser is hereby invited to ensure against this or any other risks connected with the bull, at his own expense.
5. The vendor shall and does hereby provide the following guarantee as to the fertility with each bull sold-
 - (a) No guarantee whatever as to the fertility is given with any bull under the age of nine months at the date of sale, unless otherwise stated in writing
 - (b) Subject to the Conditions hereinafter set out, the vendor guarantees that the bull is capable of putting a cow or heifer in a state of pregnancy by natural service within four months of the date of sale or within four months

of attaining the age of fourteen months, whichever is the later. This guarantee shall be deemed to be fulfilled whenever one female animal is proved to be in calf by natural service to that bull, subsequent to the sale. A bull shall not be deemed to be incapable of putting a cow or heifer in a state of pregnancy by natural service on a semen test only.

6. The foregoing guarantee is subject to the following conditions.
- (a) The bull shall be fairly tried with a view to him putting a cow or heifer in a state of pregnancy by natural service within two months of attaining the age of fourteen months, whichever is the later. For the purposes of this paragraph, fairly tried shall not be deemed to have occurred when less than three female animals in season have been properly presented to or run with the bull.
- (b) If upon purchase of a bull, it is found impracticable for the buyer to fairly try the bull Within the period stated at paragraph 6(a) above, due to the purchaser's normal calving programme, the vendor must be informed in writing immediately after the sale of the month in which it is proposed to commence using the bull. The vendor shall not unreasonably refuse to extend to the purchaser within seven days of receipt of the said notice in writing from the purchaser.
- (c) The purchaser shall give notice in writing by registered post to the vendor of an inability of the bull to put a cow or heifer in a state of pregnancy by natural service or a suspected inability in this respect, not before the expiration of one month nor after the expiration of three months, from the date of sale or of the bull attaining fourteen months, or any extension of the Commencement of the trial period granted pursuant to paragraph 6 (b) above or whichever is the later.
- (d) On receipt of the notice referred to at paragraph (c) above, the vendor shall forward to the Purchaser, a Bull fertility report in the form, approved by The Irish Shorthorn Cattle Society Ltd.,

cow or heifer in a state of pregnancy by natural service is not the result of injury, accident, disease or neglect happening after the sale, and that he has examined the cows or heifers on which the bull has been tried, and has found them in a normal breeding condition and that they are not responsible for the bulls inability to put a cow or heifer in a state of pregnancy by natural service.

(e) The purchaser shall give the bull every opportunity of proving himself capable of putting a cow or heifer in a state of pregnancy by natural service within the period of four months mentioned in the guarantee at paragraph 5(b) above and shall (if required) allow a Veterinary Surgeon appointed by the vendor to examine and try the bull and in addition shall (if required) allow the vendor to remove the bull to the vendors own or other premises in order to try the bull.

(f) In the event of the vendor and the purchaser failing to agree on whether or not the bull is capable of putting a cow or heifer in a state of pregnancy in accordance with the foregoing provisions, or in the event of any other dispute arising from the parties concerning the

Implementation or interpretation of the agreement, by the said dispute shall be and is hereby referred to Arbitration by a single arbitrator, to be agreed between the purchaser (or) by default of agreement to Be nominated by the President for the time being of the Incorporated Law Society of Ireland), such Arbitration to be conducted in accordance with the Arbitration Acts 1954 and 1980. The aforementioned Referral to arbitration shall be condition precedent to the commencement of any other legal action.

(g) In the event of the vendor and purchaser (or in default the Arbitrator) concluding that the bull is Incapable of putting a cow or heifer in a state of pregnancy in accordance with the foregoing provisions of This Agreement, then the vendor shall-

(i) Be bound to accept the return of the bull and on delivery of it to his premises (unless some other Arrangements shall be mutually be agreed upon) to refund to the purchaser the whole of the purchase Price of the bull together with the expenses of the purchasers Veterinary Surgeons, the cost of Carriage from the purchasers premises to the vendors premises, the carriage and keep of the bull From the date of notification of the claim provided, however that such expenses and costs shall not Exceed an amount equal to ten per cent of the sale price of the bull.

(ii) Pay the costs of the arbitration and the arbitrator in accordance with any direction given by the Arbitrator in this regard. Save as aforesaid the vendor shall not be under any liability whatever to the Purchaser in respect of loss sustained by the purchaser however this loss arises and whether it be Consequential or otherwise.

Breeding guarantee : Females any cow or heifer realising 500 gns or more that is stated by vendor As having served or artificially inseminated not less than 12 weeks before the date of the sale shall Be guaranteed in calf to the service date or date of artificial insemination and to the bull stated, unless any Alteration to the service particulars is announced from the rostrum or by the vendor at the time the animal Is sold. The term running with the bull implies no guarantee of pregnancy unless specifically stated by the Vendor at the time of sale, neither shall the provision by the vendor of a certificate of positive pregnancy Diagnosis imply any such guarantee this being merely an expression of opinion. Every heifer sold as in Guarantee that they are capable of breeding. Calves sold suckling their dams are given to the purchaser Free and no guarantees apply unless specifically stated by the vendor at the time of sale. No claim under these rules will be effective unless made by the Auctioneers or to the vendor within the following time limits as applicable viz

(A) In the case of a cow or heifer sold as being in calf which proved NOT to be in calf- within 49 days of the date of sale.

(b) In the case of a cow or heifer which, although in calf, does not calve to the stated service or Insemination date- within TWO CALENDER MONTHS of the date that the animal should have calved
According to the particulars of service or insemination stated in the catalogue of sale, in all such cases,
No claim will be admissible unless there is an interval of more than four weeks between the presumed Due date (according to the stated particulars of service or insemination) and the actual calving date

NOTE the average gestation date is 285 days.

(c) In the case of a cow or heifer calves at a later date than the due date, the onus of proving the identity Of the service bull shall be upon the vendor.

(d) In the case of a heifer sold as un-served and which subsequently proved to be in calf-within SIX CALENDER MONTHS of the date of sale.

(e) In the case of a maiden heifer which proves incapable of breeding because of malformation or

Abnormality – the genital system – not before the animal attains the age of TWENTY SEVEN MONTHS

And no claim under this rule be admissible after the animal has attained the age of THIRTY SIX

MONTHS. NOTE: Any female (cow, heifer) that has been flushed for embryo transplant will be

EXCLUDED from the terms of this guarantee, but individual vendors of such animals shall have the

Option of giving their personal guarantee to be announced at the time of sale.

No claims will be admitted under these rules where it can be proved that a cow or heifer is carrying a

Mummified calf, or has aborted or re-absorbed a foetus and no guarantee is given or implied that

Any cow or heifer will carry a calf full time.

All claims must be submitted to the vendor and the Secretary of the Society and shall be resolved in Accordance with the provisions of clause (f) of this agreement.

7. This agreement shall be interpreted in accordance with the law of the Republic of Ireland
