

ENTRY FORM

Dairy Shorthorn All Stars

Entries close 31st May 2017

The All Star competition is designed to identify those special cows within the breed that demonstrate the desirable traits renowned with Dairy Shorthorns. The ability to produce consistent lactations combined with fertility, longevity and type, while also passing on these traits to their progeny.

One star is awarded for each of the following:

- Lifetime yield of 50,000kg
- Lifetime yield of 75,000 kg
- Achieving 10 lactations
- Every time the cow is classified excellent
- Progeny classified excellent
