Dear Breeders,

The Irish Shorthorn Society views the network of affiliated clubs throughout the country as a hugely valuable asset to both the breeders and the breed alike. Covid-19 has prevented physical meetings of clubs now for well over a year, and we know many of you are anxious for a return to normality after lockdowns and other restrictions which prevented social gatherings. As part of the Irish Shorthorn Society's commitment to the club structures we would like if you could spare a moment to answer the following few short questions. Your feedback would be greatly appreciated as it will help give important information directly to Council as to how you currently view clubs and any improvements/enhancements the Society could assist with for clubs currently in existence, and hopefully, the formation of new clubs.

This survey can also be completed online at www.irishshorthorn.com

The survey will close on August 10th, 2021, paper responses should be returned to the Society office at the above address.

Your name and herd prefix: _____

1. Which county do you reside in? _____

2. Do you breed Beef Shorthorns, Dairy Shorthorns or both? _____

3. Is there a Shorthorn Breeders' Club in your area? Yes No Not Sure

4. Are you currently a member of a Breeders' Club? Yes No

5. If already a club member are you happy / unhappy with your local club?
Please circle your answer

6. Briefly state your reasons for your satisfaction/dissatisfaction with your club.

7. If there is not currently a club local to you, what benefit do you feel a club in your region would offer both you and the breed?

8. Do you feel a club is a good link between breeders and the Irish Shorthorn Society?

Yes No Not Sure

Thank you for your feedback.

If you have any questions about this survey please contact any member of the Club Rejuvenation Sub-Committee of the Irish Shorthorn Society Council.
