### Irish Shorthorn Society – Breeders Directory

The Irish Shorthorn Society is setting up a new online Shorthorn Breeder Directory.

It will contain the following information: Breeders name, herd name, address, contact number and/or email. The format is a list of the counties in Ireland, clicking onto a county will present details of Shorthorn breeders who have opted to be included.

Breeders who would like their details included on the Irish Shorthorn Society website must complete this form and return it to the society office by post or email.

**\*Membership must be paid up to date to avail of this advertising opportunity\*.**

I wish to be included in the updated Breeder Directory and give my permission to have the following information published on the Irish Shorthorn Society website.
